## About the Conference

The 18th International Conference on Intelligent Computing (CICLING 2024) will be held in Budapest, Hungary, from April 17th to 23rd, 2024. The conference will bring together researchers and practitioners from academia, industry, and government to share and exchange research findings and experience on all aspects of intelligent computing.

The conference will feature keynote speeches, parallel sessions, workshops, and poster sessions. There will also be a special track on the application of intelligent computing techniques to real-world problems.

## Conference Topics

The conference will cover a wide range of topics, including but not limited to:

- Artificial Intelligence
- Machine Learning
- Deep Learning
- Computer Vision
- Natural Language Processing
- Data Mining
- Big Data
- Cloud Computing
- Internet of Things
- Cybersecurity

## Important Dates

- **Paper submission deadline:** January 31, 2024
- **Notification of acceptance:** March 15, 2024
- **Camera-ready submission deadline:** April 15, 2024
- **Conference dates:** April 17-23, 2024

## Conference Venue

The conference will be held at the Budapest Congress Center in Budapest, Hungary.

The Budapest Congress Center is a state-of-the-art conference center located in the heart of Budapest. The center has over 20 meeting rooms and can accommodate up to 2,000 delegates.

## Accommodation

A block of rooms has been reserved at the Hotel InterContinental Budapest for conference attendees. To book a room, please visit the hotel's website or call +36 1 327 6300.

## Registration

Registration for the conference is now open. To register, please visit the conference website.

## Contact

For more information about the conference, please contact the conference secretariat at [cicling2024@gmail.com](mailto:cicling2024@gmail.com).
