The Aleutian Indian and English Dictionary is a comprehensive resource for anyone interested in the languages and cultures of the Aleutian Islands. This dictionary contains over 10,000 entries, including common words, phrases, and idioms in the dialects of the Unangam tribe.

The Aleutian Islands are a chain of volcanic islands located in the North Pacific Ocean, stretching from the Alaska Peninsula to the Commander Islands in Russia. The Unangam tribe is the indigenous people of the Aleutian Islands, and their language, Unangam, is a member of the Eskimo-Aleut language family.

The Aleutian Indian and English Dictionary was compiled by Ivan Petroff, a Russian-American ethnologist who spent many years living among the Unangam people. Petroff's dictionary was first published in 1888, and it has since become an invaluable resource for linguists, anthropologists, and anyone else interested in the Aleutian Islands.
