By Marina Andreas

Autism and Loss: A Comprehensive Guide for Parents and Professionals is an essential resource for anyone who has been touched by autism and loss. This book provides practical advice, emotional support, and expert guidance on how to navigate the unique challenges that accompany this complex experience.

Written by Marina Andreas, a leading expert on autism and loss, this book draws on her years of experience working with families and professionals to provide a comprehensive overview of the topic. The book covers a wide range of topics, including:

- The different types of losses that people with autism may experience
- The unique challenges that people with autism face when grieving
- The impact of loss on the family and other relationships

- How to support people with autism through the grieving process
- The role of professionals in supporting families and individuals with autism who are grieving

Autism and Loss is an essential resource for anyone who wants to understand the complex experience of loss in the context of autism. This book provides practical advice, emotional support, and expert guidance that will help you to navigate this difficult time.
