Through a collection of over 200 vintage photographs, "Early National City: Images of America" takes readers on a nostalgic journey back in time to explore the city's fascinating past. The book features a wide range of images, from early street scenes and historic buildings to portraits of the city's residents and glimpses of its everyday life.

The photographs in this book provide a unique window into the past, offering a glimpse of the people, places, and events that shaped National City into the vibrant community it is today. Whether you're a lifelong

resident or a newcomer to the area, you're sure to be captivated by the stories and images contained within these pages.

Here are just a few of the highlights you'll find in "Early National City: Images of America":

- Early street scenes that show the city's bustling commercial district and lively waterfront
- Historic buildings that have played a role in the city's history, including the National City Hotel and the Sweetwater Dam
- Portraits of the city's residents, from early settlers to prominent citizens
- Glimpses of the city's everyday life, including images of schools, churches, and social events

"Early National City: Images of America" is a must-have for anyone interested in the history of National City or vintage photography. This book is a beautiful and informative addition to any library or coffee table.
