Mick Brown is a storm chasing legend. He's been chasing storms for over 20 years and has witnessed some of the most incredible weather phenomena on the planet. In his new book, *Storm Chaser*, Brown shares his experiences and insights into the world of storm chasing.

Brown's journey into storm chasing began in the early 1990s, when he was working as a meteorologist for a local TV station in Oklahoma. One day, he was covering a severe weather outbreak when he saw a tornado touch down just a few miles away. He was hooked from that moment on.

Over the years, Brown has chased storms all over the United States and even into Canada. He's seen tornadoes, hurricanes, and blizzards. He's been through hailstorms, floods, and wildfires. And he's even been struck by lightning.

But through it all, Brown has never lost his passion for storm chasing. He loves the thrill of the chase and the challenge of trying to predict where the next storm will hit.

In his book, *Storm Chaser*, Brown shares his experiences and insights into the world of storm chasing. He talks about the science of storms, the dangers of chasing them, and the rewards of being able to witness these incredible natural phenomena.

If you're interested in learning more about storm chasing, then *Storm Chaser* is a must-read. It's a fascinating and informative look into the world of one of the most extreme sports on the planet.
