Explore the Cosmos with Vibrant Illustrations

My First 100 Space Words is a visual delight, filled with vibrant and captivating illustrations that bring the wonders of the cosmos to life. Children will embark on an immersive journey, exploring planets, stars, astronauts, and more, all while expanding their vocabulary and knowledge of space.

Discover the Wonders of Space Vocabulary

This book introduces children to 100 essential space words, accompanied by clear and engaging definitions that make learning fun. From "astronaut" to "galaxy," "meteorite" to "solar system," young readers will build a strong foundation in space vocabulary, empowering them to explore the universe with confidence.

Cultivate Curiosity and Inspire Imagination

25 QUESTIONS TO SPARK CURIOSITY

Spark your child's curiosity and imagination by asking them one of these open-ended questions. Join the fun by coming up with your own and what it's well!

"Curiosity drives thinking and learning."
-Susan Wright

OUTSIDE

1. If you could change one thing about the sky, what would it be?
2. What do you think life is like for astronauts in space?
3. If you lived in the ocean, what kind of animal would you be?
4. If you were a bird, where would you fly?
5. How many different types of leaves can you find? What do they have in common?

ON A DRIVE

6. If you could drive a car, where would you go?
7. Before cars, people rode horses to get places. How do you think we'll travel in the future?
8. Where do you think all these cars are going?
9. If you made your own car, how many wheels would it have? How many people would be able to sit inside?
10. What sounds can you hear?

AT HOME

11. What is your favorite thing to do on a rainy day?
12. If your toys could talk, what would they say?
13. If you could create a new holiday, what would it be?
14. What would you do if you could do anything you wanted for one day?
15. What makes you laugh?

AT THE GROCERY STORE

16. If you could, what two vegetables would you combine?
17. Where do you think your favorite foods come from?
18. If you could only eat one thing for the rest of your life, what would it be?
19. Imagine that you're a chef. What foods would you serve at your restaurant?
20. If you could rename your favorite fruits, what would you call them?

AT THE LIBRARY

21. If you wrote a book, what would the title be?
22. Just looking at the cover, what do you think this book is about?
23. How would you change the ending to your favorite book?
24. If you could be any character in a book, who would you be?
25. Superheroes are superpowers! What's the silliest word you can create?

My First 100 Space Words goes beyond vocabulary building. It sparks curiosity, ignites imaginations, and fosters a lifelong love of learning. Thought-provoking questions and engaging activities throughout the book encourage children to explore their own questions about the universe and discover the endless possibilities of space exploration.

The Perfect Learning Tool for Young Explorers

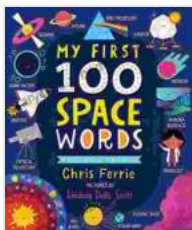

My First 100 Space Words is the perfect learning tool for preschoolers and kindergarteners. Its engaging format, vibrant illustrations, and clear vocabulary make it an ideal resource for parents, educators, and anyone who wants to introduce young children to the wonders of the universe.
