* Unit 1: Principles of Design * Unit 2: Design and Make

Unit 1 assesses students' knowledge of the design process, materials, and manufacturing techniques. Unit 2 assesses students' ability to design and make a product.

Students who achieve a good grade in OCR GCSE Design Technology will be well-prepared for further study in design and technology, or for a career

in the design and manufacturing industries.

What's in this book?

This book provides everything you need to know to succeed in OCR GCSE Design Technology. It includes:

- * Comprehensive notes on all the key topics in the syllabus
- * Practice questions for each topic
- * Exam tips and advice from experienced teachers
