The book is divided into three parts. The first part, "The Journey of Life," explores the different stages of life that we all pass through, from childhood to adulthood to old age. Smith discusses the challenges that we face at each stage, as well as the opportunities for growth and learning that each stage presents.

The second part of the book, "The Search for Meaning," examines the human search for meaning in life. Smith argues that meaning is not

something that we find, but rather something that we create. He offers a number of practical tips for finding meaning in our own lives, including:

- Setting goals and working towards them
- Helping others
- Spending time in nature
- Practicing mindfulness

The third part of the book, "The Legacy We Leave Behind," explores the importance of living a life that is meaningful and impactful. Smith argues that we all have the potential to make a difference in the world, and that we should strive to leave behind a legacy that we can be proud of.

The Day Is Now Far Spent is a beautifully written and thought-provoking book that will resonate with readers of all ages. Smith's insights into the human condition are both profound and practical, and his message of hope and inspiration will leave you feeling motivated and empowered.
