

# Unveiling the Tapestry of Family: Discover the Sourcebook of Family Theory and Research

Families are the foundation of society. They provide us with love, support, and guidance. They shape who we are and who we become. But what makes a family? How do families function? And what are the challenges that families face?

The Sourcebook of Family Theory and Research is the definitive guide to understanding family dynamics. This comprehensive volume provides a comprehensive overview of the major theories and research findings in family studies. It is an essential resource for practitioners, researchers, and students who want to gain a deeper understanding of family life.
