In a time when the world is more divided than ever, it is more important than ever to celebrate the power of diversity. **Witchy Femmes: Queer Conjurers and Magical Rebels** is a groundbreaking book that does just that. This book explores the lives and work of queer women and non-binary people who have practiced magic and witchcraft throughout history.

From the ancient priestesses of Greece to the modern-day witches of the internet, **Witchy Femmes** tells the stories of these marginalized and often misunderstood individuals. These stories are inspiring, empowering, and ultimately remind us that magic is for everyone.

The book is divided into three parts. The first part, "The History of Witchy Femmes," explores the history of witchcraft and magic from a queer

perspective. The second part, "The Magical Practices of Witchy Femmes," looks at the specific magical practices that queer women and non-binary people have used throughout history. The third part, "The Legacy of Witchy Femmes," examines the impact that queer witches have had on the world.

Witchy Femmes is a must-read for anyone who is interested in queer history, witchcraft, or magic. It is a groundbreaking book that sheds light on a marginalized and often misunderstood group of people. These stories are inspiring, empowering, and ultimately remind us that magic is for everyone.

About the Author

Sarah Prager is a queer writer, editor, and teacher. She is the author of several books, including **Queer Magic: Power Beyond Gender** and **The Witch's Book of Shadows**. She is also the founder of the online magazine **Witches & Pagans**.
